TENNIS MATILDA BLUE ADAPTIVE

This program will seek active participation of the entire family, especially siblings for participants with Autism Spectrum Disorder. The sport of tennis will be used to develop the following skills: self-esteem, focus, patience, motor skills, physical fitness/well being and social interaction with others. (taught by Chris Cabbage, tennis professional, Matilda Blue Adaptive Tennis Program founder and the father of an autistic son.)

ACTIVITY# FEE (R/NR)	AGES	DAYS	DATES	NO CLASS	TIME	LOCATION
420305-0 Pen Park \$50/\$50	4 +	Sa	Apr 30-May 21		10:00-11:30am	

TENNIS FAMILY FRIENDLY PROGRAM

This new and fun tennis program will seek active participation from the entire family. Parents will be allowed to be on court with their ages 3 to 8 year old children in this comprehensive program designed to bring families closer together. Parents will be taught productive ways to become part of the learning process of their children and to become a creative link between teaching pro- and student. This program is a blast!!!!
